- Boomers, Gen-Xers, Millennials, and Gen Z: How to Speak the Same Language and Engage the Evolving Workforce
- The Four Dimensions of the Future of Work: Exploring the Promise and Power of Technology, Talent, Space and Time

Meet Sophie Wade:

Sophie Wade is author of Embracing Progress. Next Steps for the Future of Work. She has held senior management, strategy and finance roles working around the world in media, technology, and venture capital at companies such as IMG, Yahoo Finance, and Cable and Wireless. Sophie has a BA from Oxford University and an MBA from top international business school, INSEAD.

Sophie is Founder and Workforce Innovation Specialist at Flexcel Network, a Future-of-Work-focused consultancy. She helps companies to future-proof their work environments and create compelling, competitive, and digitally-integrated workplaces to attract, engage and retain their multigenerational talent. Sophie customizes her presentations based on the objectives of the event, the audience and includes timely developments and research.

Testimonials:

"Sophie Wade brings fresh ideas and terrific strategies aimed at helping people succeed in today's and tomorrow's dynamic work environment."
JULIE SILVER, MD - Associate Professor and Associate Chair, Strategic Initiatives, Dept. of Physical Medicine & Rehabilitation, Harvard Medical School

"As the opening speaker for the MAKE WORK FIT LIFE Conference, Sophie's breadth of knowledge about the Future of Work lays the foundation for critical action steps among employers looking to attract and retain top talent."
KATHRYN SOLLMAN - Work+Life Thought Leader, CEO, MAKE WORK FIT LIFE Events

"Sophie has done extensive research into the future of the workplace and her workshop has clear takeaways that can immediately be put into place to attract, engage and retain talent in your organization."
LORRAINE HOLCOMBE - VP & CFO, Princeton Regional Chamber of Commerce
