"We were fortunate to have Sophie speak at our annual summit. She gave a dynamic and thoughtful presentation that kept the audience engaged throughout the session. I would highly recommend her to any group seeking an expert on multigenerational communications in the workplace."

KATIE EVANS

Director, Enterprise Marketing Communications, Upwork

"Sophie has the unique ability to make you feel like she's talking directly to you, regardless of how many people are in the room. She connects seamlessly with her audience and covers complex topics with a simplicity that makes them digestible."

DOMINIC PRICE

Work Futurist, Atlassian

"We were thrilled to have Sophie speak at the Flex Summit. Her session was named one of the highlights of the conference many times. We got great audience feedback about how engaging her session was."

AMANDA MAKSYMIW

Content Marketing Director, Fuze

Empathy at Work: How to Lead High-Performing Distributed Teams

Attracting, Engaging, and Retaining Generation Z

Modern Work: Co-Creating Sustainable Competitive Advantage

Meet Sophie Wade, MBA

A work futurist and strategist, international keynote speaker, author, and Workforce Innovation Specialist at Flexcel Network, a Future of Work-focused consultancy she founded in 2011. Over 560,000 people have taken her LinkedIn video courses on Future-of-Work skills, empathy, and Gen Z in multiple languages with accreditations.

Sophie's executive advisory work and transformative workshops help leaders understand and adapt to new business conditions to attract, engage, and retain a multigenerational distributed workforce. Her first book, *Embracing Progress: Next Steps for the Future of Work*, was an EMBA textbook. Her new "must read" book is *Empathy Works: The Key to Competitive Advantage in the New Era of Work*. Sophie hosts popular podcast "Transforming Work with Sophie Wade". She studied at Oxford University (BA, MA) and international business school INSEAD (MBA).
