

# Have Sophie Wade - "The Workforce Innovator" - speak at your next event

### Inspiring Quote:

"Without deviation from the norm, progress is not possible."

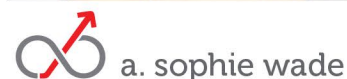

- Frank Zappa

**Sophie's top priority is making your event a success.** She knows you are looking for an outstanding speaker. She wants your attendees walking away inspired and equipped with actionable takeaways--just as you do.

Sophie brings a unique British background and amusing experiences working around the world. She shares thought-provoking workforce insights to **engage and entertain your audience**. She is known for her passion and compelling presentations that resonate with both leaders and teams, reframing their perspectives.

Sophie combines emotional understanding and research with compelling examples. She helps executives and employees to bridge gaps across generations and locations in order to **collaborate and perform better**.

Sophie will ensure the audience **leaves raving about their experience and ready to make REAL change** in their daily work practices.

### Top Keynote/Breakout Session Topics:

- Empathy @ Work: The Essential Soft Skill for Effective Leaders and Teams
- Boomers, Gen-Xers, Millennials, and Gen Z: Managing a Productive Multigenerational Workforce
- Working Everywhere: How to Manage and Motivate High-Performing Decentralized Teams

### Meet Sophie Wade:

Sophie Wade is the author of *Embracing Progress: Next Steps for the Future of Work*, an Executive MBA Program textbook. She has held senior management, strategy, and finance roles working around the world in media, technology, and venture capital at companies such as IMG and Yahoo. Sophie has a BA from Oxford University and an MBA from top international business school, INSEAD.

Sophie is Founder and Workforce Innovation Specialist at Future-of-Work-focused consultancy, Flexcel. She helps companies to future-proof their work environments highlighting empathetic approaches for effectively leading, engaging, and managing the multigenerational and decentralized workforce. Sophie customizes her presentations based on the objectives of the event, the audience and includes timely developments and research.

### Testimonials:

"Sophie Wade brings fresh ideas and terrific strategies aimed at helping people succeed in today's and tomorrow's dynamic work environment."  
**JULIE SILVER, MD - Associate Professor and Associate Chair, Strategic Initiatives, Dept. of Physical Medicine & Rehabilitation, Harvard Medical School**

"As the opening speaker for the MAKE WORK FIT LIFE Conference, Sophie's breadth of knowledge about the Future of Work lays the foundation for critical action steps among employers looking to attract and retain top talent."  
**KATHRYN SOLLMAN - Work+Life Thought Leader, CEO, MAKE WORK FIT LIFE Events**

"Sophie has done extensive research into the future of the workplace and her workshop has clear takeaways that can immediately be put into place to attract, engage and retain talent in your organization."  
**LORRAINE HOLCOMBE - VP & CFO, Princeton Regional Chamber of Commerce**
